Dear K.C. POWER & SPEED CO., Members and Volunteers;

We welcome you to the fall session of our Sports Program! We are looking forward to an exciting new session.

Bowling will resume Saturday, September 7th at Premier Bowling Lanes in Raytown, Missouri from 12:00 – 3:00 p.m. The cost of bowling is \$5.00 for 2 games and shoe rental is free.

There are no bocchia training sessions at this time. If you are interested in participating in bocchia, let Terri or myself know.

**** Please note that if the weather looks threatening the day of any practice session, all regular participants will be notified by phone or text message if sports will be canceled but please use your best judgement before adventuring out in any severe weather.**

Both Terri McMillan and I, and all of our volunteers look forward to seeing you soon, and to meet new athletes who want to have some fun!

Sincerely,

Mark McMillan
